

S.A.F.E. SZ ZONE

Healthy Living...Healthy Aging

Return to S.A.F.E ZONE Procedure

- All participants must pre-register either via [the online form](#), by calling Jan @ 519 770-6499 or emailing safezone1500@gmail.com to hold their spot.
- All participants must complete an updated Health Questionnaire and release forms upon resuming the program (forms will be available on-line or copies will be available from each instructor)
- All participants must complete a COVID-19 self- screener prior to attending every class (a link will be provided through the website or copies will be available at each location)
- All participants must purchase their own equipment (theraband and ball) available through instructors at each location (used cleaned and sanitized). New equipment is available for pick up by calling Jan @ (519) 770-6499
- All clients will be encouraged to arrive no more than 10 mins prior to class, and leave immediately following the program.
- All clients will be required to roster, providing name, phone number and email in order to track entry. That information will then be provided to management at each location, as well as the S.A.F.E. ZONE Program Coordinator.
- All individuals must wear a mask until situated within a designated spot – any movement between location/area will require a mask (specific locations may require a mask at all times TBD) * Participants will be responsible for providing their own mask.
- Upon entry all clients will be required to utilize the hand sanitizer provided by the facility or S.A.F.E. ZONE
- All participants must provide their own water source, as we will be required to remain in our designated spot
- Each location will have a set number of participants allowed within the facility. That number will be pre-determined by facility management and/or S.A.F.E ZONE Program Coordinator.
- All participants must abide by all social distancing policies.

Additional procedures may be added according to site regulations, policies and procedures. Information may change without prior notification.
